

Anti Pressure Insoles - FAQ

Q1. Is there only one size of the Anti Pressure Insoles?

A1. Yes, DR-HO'S® Anti Pressure Insoles are designed to fit comfortably in a large range of shoe sizes. If you receive your insoles and they do not fit your footwear to your liking, feel free to take advantage of our famous 30-Day Money Back Guarantee.

Q2. Does the package of insoles come as a set?

A2. Yes, the Anti Pressure Insoles come as a set, with an insole for each foot. Feel free to purchase more than one set at a time if you would like support for multiple pairs of shoes.

Q3. Are the Anti Pressure Insoles beneficial for diabetics?

A3. Yes, we recommend this product especially for individuals with diabetes. The massaging and pressure-sensitive pumps can help to promote circulation to the feet.
