

Find the Best Amoena Bra for Shape and Support

So many bra styles, how do you choose? Shopping for a new bra always seems promising and interesting as to choose amongst the pretty lace, new colours, and matching sets, it should be fun to choose. But it's sometimes difficult to know which Amoena bra will fit you best.

Here's a handy guide you can use to narrow it down. Of course, an appointment with your certified fit specialist is the best course of action. But try these tips to get started.

What's the Best Bra for a Big Bust?

1. **Underwired Bras** - They are stronger and more supportive than fabric alone.
2. **Remember!** avoid using "dark colours".

How to Maximise a Small Bust?

1. **Padded Cups** to boost your curves whilst smoothing scars or unevenness.
2. **Non-Wired Bras** go for comfort if support isn't as critical.
3. **Remember!** Colours and patterns can draw attention and maximise size without even trying.

How to Minimize Wider Hips or Hide a Little Tummy?

1. **Use Dark Colours** to give the illusion of slimmer hips.
2. **High Waist Briefs or High Side Seams** redefines sexy and offers extra coverage.
3. **Remember!** Camisoles cover all the way down.

How to address Limited Mobility or Sensitive Areas?

1. **Front Closure Bras** helps you in reaching behind without any trouble.
2. **Non-Wired Bras** avoid any skin disorders or scars.
3. **Remember!** Tops with built-in bras might be all you need such as “Leisure wear and Home wear”.

We're here to help you find your best fit for every situation. Hope this guide met your needs.
