

Thera-Band Pro Foam Rollers and Foam Roller Wraps+ Fact Sheet

General Description

The **Thera-Band® Pro Foam Rollers** used in conjunction with the patent-pending **Thera-Band Foam Roller Wraps+** serve as a novel tool for hands-free myofascial release, deep tissue massage and stabilization exercises.

Designed to support varying degrees of tissue mobilization, the Thera-Band Foam Roller Wraps+ are available in four successive colors of progressive density - Yellow (X-Soft) providing extra cushion for more delicate patient populations through Blue (X-Firm) for advanced fascia mobilization.

Thera-Band Pro Foam Rollers are available in the standard 6" diameter, in both 36" and 12" lengths and a 6" half round diameter in the 36" length. Thera-Band Foam Roller Wraps are 12" in length and designed to fit the standard 6" round Foam Roller.

All Thera-Band Pro Foam Rollers and Foam Roller Wraps+ are individually packaged with detailed color instructions featuring general techniques and advanced exercises divided by muscle region to facilitate HomeEx.

Features & Benefits

Thera-Band Pro Foam Rollers

- **Versatile**
 - Can be used with the Thera-Band® Foam Roller Wraps+ or as a standalone device
- **Highly durable closed-cell foam**
 - Offers extended life
